within this hot
black tea...

I can only think
about you

Case

black tea boy • honey Caddy

you're such a
chocoholic..

That I'm sure
if I licked you,
you'd taste like
chocolate.

A country dance with a Cat.

left too long in
the afternoon sun.

burning incense
for you

When you don't
sleep enough, these
are three drops of
honey in your eyes.

A few little
trifling things
under your

(thankfully you didn't
see it yourself)

your voice
on the other side
of the door...

like a sugar pastry

In sweet black tea,

REALLY SHARP ONE.

With that, a girl's an invincible Rockin' Renegade

PUSH UP DAISIES!!

Without these, a girl's just plain dull

But if someone gives
us a bouquet too big to
hold in both hands...

We'll fall in love
with them

I met you at the end of summer.

Every day since then, I went to the sea.
I gathered pieces of you and built small white gauze lace houses.

Look, this is your ear.
Look, this is your nail.
Look, this is your bone.

One evening the birds plotted,
and ran away during the night.

The last I saw of you was
the retreating shape of a girl's
hands and feet.

What remained
after that was empty
boxes and I.

And, well...
summer memories
like these.

SOUP

I'll
make
an
amazing
soup
for
you

...and when you are difficult to please, you may say to me, "I wanted your presence".

Don't worry
If you love me, the poison
won't hurt you.

Dry...

If you love me,
you can't tell you.

we'll be the fairy tale you

Only a prince
should do.

It will sadden me
but, farewell.

It merely means that
you weren't my prince

Unluckily, unluckily, today is really really unlucky.

LOVE ISN'T ENOUGH!!

and I fell asleep in the theatre.

A black cat came out
of nowhere
and walked
over my foot.

THIS IS THE WORST SUNDAY
EVER.

I'll leave my body behind,
walk around the park, and
breathe deeply on a sunny beach,
and then...

I'll be a little
content.

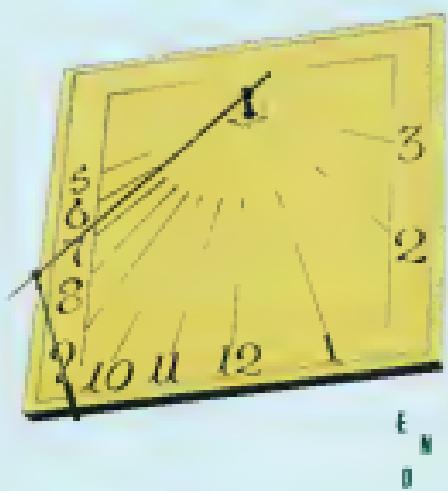

On days like this,
anything I try turns
out bad.

I just accept it
and do nothing.

(smile) *smile* I'll just do whatever my body tells me.

Hey,
are you thinking of me right now?

"Sorry, I can't keep my promise."

bread mania

Ladies and gentlemen,

Croissant champignon.

Croissant-muscade.

Croissant-madame.

Knuspermilch.

Bagel

Bagelroti

Now's the time for me to
bake delicious bread

You will still be you
after an hour,
but freshly-baked bread
will no longer be
freshly-baked bread
in an hour, right?

I'm sorry, but I
do love you the most!
There's nothing that
I didn't put on!

sour cream,
pickles,
watercress,
roast beef,
cheese,
romaine lettuce.
I put all of the
things you like
on your favorite
bread

I'm sorry, I won't
be able to meet
you when I promised,
but I made you
a sandwich.

I lost a girl
named Goldfish

lady
oldfish

Red hair red lips,
red boots, red dress,
and within her tears
were goldfish.

Her tears
fell, and when
the goldfish bit
the air and the
ground, they
died

Goldfish
disappearing
is my punish-
ment for
making her
cry

So no matter
how many times I
lose you, I'll find
you again

I'll never again
meet a girl like
Goldfish.

Let ~~me~~ be able
to recognize your
tears by the red
goldfish that will
certainly be los-
ing in them.

You've probably
changed your
appearance in
various ways,

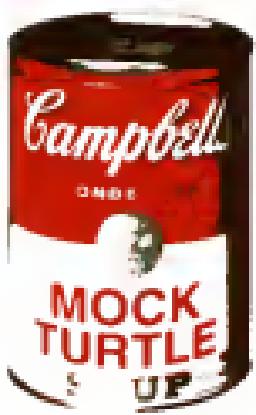

END

I'll chase
after my
goldfish in
a car chase
round for
hell!

No matter
how many
times I try
you can't
matter how
many times we
fall in love

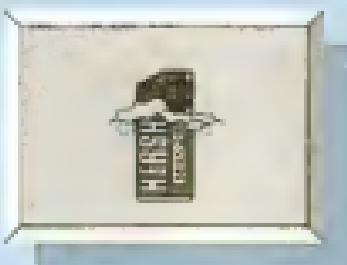

Illusions or
deceptions, no
matter what
form the useful
be, if you
believe them
enough, they
become true

I'll happen across a girl
with goldfish in her tears
soon, won't I?

LOVE
Finally
&
SOUP

There's
no such thing
as eternal

*I just a
fragment of
eternity.*

*What we've
got here*

Look,
here's your
fragment.

*“I will then
present to you
one true love.”*

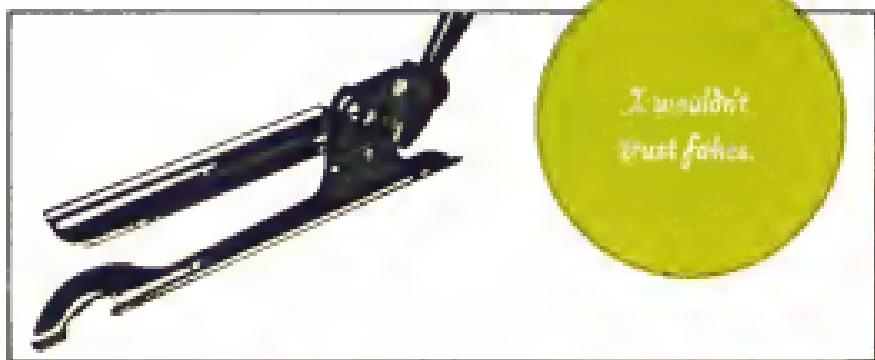

Well,
you

Well, you
you, you
you, you, you

Well, you
you, you
you, you, you

I wouldn't
trust fakes.

If you're not
going to apply
I'll take it.

That's what
you get for a
prize from a
can of soup.

When the time
comes to sink or
swim, I'll decide
whether or not to
get on board.

You're
serious?
What a
romantic

You really
are a
gambler.

END
